GOYeovil is delighted to be supporting Yeovil's first half marathon. ***GOYeovil*** was launched in 2010 to encourage local people to get involved in a 'whole community' project to do something so outstanding that it would get regional recognition for the town. Based on Healthy and Active Living (anything physical….walking, 10 pin bowling, performing arts, dance, aerobics, all sports) the campaign was supported by local councils, health services, local businesses, local organisations, local Schools, Yeovil College and 1,000s of individuals who got involved in a special week of activity. Some businesses offered financial support to get the project off the ground with Main Sponsor, AgustaWestland, providing generous financial support to assure the success of the project. Those taking part in the ***GOYeovil*** week also raised money for GOYeovil's two chosen charities – St Margaret's Yeovil Hospice and Yeovil Women's Hospital (the Flying Colours appeal).
